## WHO WE ARE

34 | *Committees*

Dear Friends,

This year's Spring Auction theme was "Change Begins with..." Students, faculty and staff were tasked with sharing what they believe are catalysts for change. In his speech, Isaiah, from the Ricci Class of 2019, said the following:

*"Nativity School of Worcester has definitely changed me. I would like to give my utmost appreciation to the school. They have given me the opportunity to grow into the person I am today. So when my advisor for school, Mrs. McCormick, asked me what do I think change starts with, I simply responded, "Change begins with a strong, fresh, and new start!"*

A fresh and new start is exactly what we hope to provide every Nativity Man during his time here. We set high expectations for our students because we know that they are capable of meeting and exceeding them. These young men are committed to doing their best, not just some of the time, or most of the time, but all of the time, because that is what is expected.

When Nativity School of Worcester opened 15 years ago, we promised students and families a high quality Jesuit education. We promised a safe place to learn, to grow and to become Nativity Men who, in the words of Fr. Kolvenbach, "are leaders in service and young men of competence, conscience,

and compassionate commitment." This promise, this healthy pursuit of the magis, the more, has transformed the lives of over 200 young men, but not only them, their families, their teachers, their employers and a community of volunteers who support and guide this school as well.

From their first day of Summer Session classes in July to when we take photos of them in a graduation tie and blazer, we strive to provide our Nativity Men with the education and opportunity that will set them on the path to success.

The 2017-2018 school year brought with it many successes for our Nativity Men, as you will see in the report that follows. We cannot achieve these successes without you, and we are incredibly thankful to celebrate them with you. On behalf of the entire Nativity Worcester community, I extend my deepest gratitude to all of those who have contributed to the mission of Nativity School of Worcester over the past year. With your help, close to 800 donors contributed a record-setting \$1.6M. We cannot thank you enough for your commitment to our boys and their future.

Onward,

Patrick T. Maloney

# ANCHIETA CLASS OF 2018

## BERNARD'S GRADUATION SPEECH

Good evening, Mr. Maloney, Mr. Dillon, members of the Board of Trustees, Trustee Associates, faculty, families, friends, supporters, and my fellow classmates. Thank you all for coming to the Anchieta Class graduation. My name is Bernard Santos, and I am one of the thirteen members of the Anchieta Class of 2018. I'll try my best not to cry. It's hard to believe that it's already been three years. When I first started at Nativity Worcester, I didn't know what to expect. I just knew that it was going to be a lot of hard work, and that I'd have to push myself more than other kids in Worcester. I knew it would all be worth it, though. My classmates and I have been accepted into many excellent schools, not only because of our hard work and effort, but also because of Nativity and what it works to accomplish. None of this would have been possible without this community and the generosity of others. Without the generosity of caring hearts, the 8<sup>th</sup> Graders wouldn't have opportunities like going to Washington D.C every year. We must never forget that.

Starting at Nativity Worcester in the 6th Grade was a bit odd. I hadn't yet established the connections and friendships with my classmates like they had with each other, and I was completely lost whenever they'd talk about an inside joke or memory from the 5th Grade. However, I like to think that I managed to find my own place rather quickly. I quickly realized that my class was (and still is) very unique from the others. We have a wide blend of interests and personalities and hobbies, but we still laugh together about the same things, and we don't let our differences get in the way of anything. Over my time at Nativity, my classmates and I developed something much stronger than just a friendship or camaraderie—I don't even think the word classmates is enough to describe it! I think we made some kind of irreplaceable sense of brotherhood, something I never had at my other school, and I am very grateful for this great thing that Nativity provides, among many others.

I had tried to get into Nativity Worcester in the 5th Grade, but did not get in. However, I tried again for the 6th Grade, and it turns out I got in! However, I wasn't as happy as I thought. I did not want to give up martial arts, but it interfered with my school hours, and I didn't want to leave behind any of the great friends I had made over my 7 years at my previous school. When I first arrived at Nativity, I couldn't find many things I liked... I'd have to stay until 6:30pm three out of five days of the week, there was a dress code and it was an all-boys school! It didn't seem too appealing... No offense, though... Still, I trusted my parents, and I trusted that this opportunity would benefit me later on. As I look around, it looks like it paid off!

# Graduation

Nativity School of Worcester is not made in its entirety by its students, but its faculty and staff members as well. I can promise you that if the students were left to run the school, then things wouldn't go too well... The faculty spends many hours here, working to make sure that students get back graded papers, developing lesson plans for upcoming classes and many more things to make sure the school is functioning at its best. They never let any of this get in the way of shaking my hand in the morning with a warm smile and hello. If it weren't for Ms. Torres, I wouldn't be able to understand Spanish! I could understand a bit before, but you'd just have to speak really slowly... If not for Mr. Dillon, I wouldn't have known much of anything about Shakespeare's writing! I'm sure he'd be glad to tell you all about it... If not for Mrs. Kent and Ms. Clair, the High School Application process would have been 10 times harder. If not for the 5th Grade Lead Team, then the younger kids would be out of control! If not for the faculty and staff, then Nativity and I would not be where we are today!

Time flew by so quickly during my time at Nativity Worcester. The last evening study arrived and I couldn't believe that things had gone by so fast. I simply couldn't believe that things had gone by so quickly. I started to recall my first few classes as a sixth grader, thinking, 'How long until I graduate?' Now that it's finally here, I can't help but feel a sense of accomplishment... and excitement for what's to come... and fear of the unknown... and so much more. As much as I said that I was excited to leave and to move on, during those last few days, I must admit that I was really wanting to extend my final moments, even for just a few days. Just to soak it all up. There's just something about this place

that keeps me wanting more. I just couldn't believe that I would no longer have to do any homework from my teachers, and that I couldn't receive any demerits for something. The thought that I will no longer be a student seems... weird? It's hard to put into words, to be perfectly honest. Nativity has come to be a second home for me. How could it not? I've been here for 8-11 hours a day every week! Despite the long days and demanding work schedule, I can wholeheartedly say I enjoyed my time at Nativity Worcester.

As my time as a student of Nativity Worcester comes to a close, I realize more and more that not only have I been granted many great opportunities, but also... Nativity has instilled many great values in me during my time here—but also in all Nativity Men during their time here. Specifically in the areas of Strength, Scholarship, Service and Character. We often get involved with the greater community all over via community service events; we are always challenged in class, whether it's a new scientific equation or a new conjugation in Spanish; we are often being taught new ways to improve ourselves as people, and how to help others in difficult situations; we are continually striving to do more, and to work harder. We've all made many great bonds with both teachers and classmates alike. This really is something that no other school can provide the same way Nativity does. I'll definitely miss the retreats. I'll miss the hot lunches. I'll miss the inside jokes. I won't miss the demerits, but I will miss... too much for me to list here. From the bottom of my heart, thank you for accompanying me during these 3 years—and many more to come. We are all very lucky to be a part of such a great community. Thank you all very much.

# YEAR END *Awards Ceremony*

On Monday, June 4th, Nativity School of Worcester held its annual year-end Pillar awards ceremony. At this event, which begins the week leading to graduation, the school's faculty and staff present awards to students in all grades that best reflect the four pillars of strength (vires), character (mores), service (christianitas), and scholarship (studium). Awards are given for three of the pillars to one student from the eighth grade, and one student from the fifth-, sixth-, or seventh-grade, while the final pillar award of scholarship is presented to one student from all four classes. The Vires Award was given to Darrell Kwateng, Anchieta Class of 2018 and Silas Summers, Ricci Class of 2019. The Vires Award is given to the

students who show exceptional strength during their time at Nativity Worcester. This student faces struggles head-on, and doesn't shy away from a challenge. The Mores Award was presented to Alan Rivera-Lopez, Anchieta Class of 2018 and Luis Lopez, Ricci Class of 2019. The Mores Award is given to the students who display exceptional character and distinguish themselves with qualities of honesty, politeness, and fairness to others. The Christianitas Award was presented to Meffi Herrera, Anchieta Class of 2018 and Noah Miles, Espinal Class of 2020. This award is given to the students who show exceptional dedication to service both inside and outside of the school and who never hesitate to put others before

themselves. The Studium Award was presented to Bernard Santos, Anchieta Class of 2018, Denzel Martinez, Ricci Class of 2019, Jesaiah Burgos, Espinal Class of 2020, and Alvin Tete-Djwau, Mveng Class of 2021. The Studium Award goes to the student who shows the greatest dedication to scholarship by displaying intellectual curiosity and a drive for academic success. The Spirit Award is awarded during the graduation ceremony to a member of the eighth grade class who has exemplified what it means to be a Nativity Man on countless occasions during his time at Nativity Worcester. This year's recipient was Enock Oduro, Anchieta Class of 2018. [Congratulations to all of this year's award winners!](#)

# SUMMER *of Service*

Nativity School of Worcester supplements our school year's education with a mandatory summer session. During the month of July, Nativity Worcester faculty, staff, and students return for three weeks of classes, field trips, and a comprehensive service-learning program. During service-learning, students reach out into the city and surrounding area through an integrated academic and community service-oriented program. Nativity Worcester purposely plans our Summer of Service session to expose students to a wider variety of experiences than the traditional school year allows.

The mornings begin with language arts and math classes, which help our students improve and excel in core academic subjects before the traditional school year begins. Students that are struggling in language arts and math are able to make significant improvements as a result of additional time spent in the classroom and personalized instruction from our faculty. The faculty is also able to challenge students that are excelling in these subject areas to ensure they reach their full potential.

Students also participate in an integrated academic and community-service-oriented program. Students take a service-learning class where they learn about current and

local issues affecting our community. In the afternoons, students and faculty volunteer at local organizations related to the topics they are learning about in the service-learning class. The goal of the service-based learning is to engage students in projects that not only teach them valuable, curriculum-linked lessons, but also empower them to recognize the ways they can improve their community.

For 5-7th graders, students rotate through three service-learning sites, while the 8th graders take part in their own program, the Youth Philanthropy Initiative (which is detailed below). In 2018, these 5-7th graders' sites included Tower Hill Botanic Garden, a non-profit educational organization formed for the purpose of advancing the science and encouraging and improving the practice of horticulture. Our students learned about the effects of Climate Change and its impact on the ozone layer, along with a discussion of the importance of community farms and gardens. The students also had the opportunity to visit The Village, an apartment-based family shelter program providing short-term housing, employment training, housing search and other educational programming and services to assist displaced families transition to self-sufficiency. The last

service-learning site had numerous locations as they visited murals in the city coordinated by POW! WOW! Worcester. Students learned about the impacts on the community by public art and the differences between street art and graffiti art. They designed their own works of art and exhibited them at the Worcester PopUP, a community gallery that opened in April 2018.

For the ninth consecutive year, the eighth grade students had the opportunity to work on the Highland Street Foundation's Youth Philanthropy Initiative. Students working on this project learn about philanthropy and nonprofit organizations in their service learning classes. They reflect on their own personal values to determine what community services they deem most important for the people within Worcester. The students then choose how to disburse the \$5,000 of grant funds to four organizations. In 2018, the eighth graders worked specifically with Tenacity's Summer Tennis and Reading Program, Worcester Refugee Assistance Project, the St. John's Church Food Pantry, and Safe Homes. The Nativity Worcester community completed over 1,400 hours of service in the greater Worcester community during the 2018 Summer of Service

## HONORARY AND MEMORIAL GIFTS

GIFTS TO NATIVITY SCHOOL OF WORCESTER ARE OFTEN MORE THAN SUPPORT FOR THE SCHOOL. MEMORIAL AND HONORARY GIFTS ARE A WAY TO PERPETUATE THE MEMORY OF A LOVED ONE WHO HAS PASSED AWAY AND AN OPPORTUNITY TO HONOR AN INDIVIDUAL WHO HAS BEEN IMPACTFUL IN THE DONOR'S LIFE. EACH YEAR, MEMBERS OF OUR COMMUNITY SUPPORT NATIVITY WORCESTER WITH A GIFT IN MEMORY OF A LOVED ONE OR IN HONOR OF SOMEONE WHO PLAYED A LARGE ROLE IN THE DONOR'S LIFE. LISTED BELOW ARE THOSE INDIVIDUALS WHO WERE RECOGNIZED THROUGH GENEROUS CONTRIBUTIONS FROM DONORS DURING FISCAL YEAR 2018.

## 13<sup>TH</sup> ANNUAL SPRING AUCTION NIGHT

Nativity School of Worcester hosted its 13<sup>th</sup> Annual Spring Auction Night on Friday, April 6, 2018 to raise money for the school's operations, and to honor several members of the Nativity Worcester community.

The Spring Auction Night is Nativity Worcester's major fundraising event held at the school. Funds raised allow Nativity Worcester to provide an education program that includes small classes, an extended school year, a mandatory summer program, a mandatory extended school day that includes, sports, activities and evening study, and a graduate support program, impacting Nativity Worcester's sixty-one students and one hundred forty-three graduates directly.

Frank Vellaccio Ph.D received the Dr. Charles "Chick" Weiss Founders Award. Nativity School of Worcester existed in the ideas and writings of Frank Vellaccio before it opened in August 2003. Starting in 2000, Dr. Vellaccio worked closely with co-founder Dr. Charles Weiss to build a case for opening the school. Together they created a school that would serve the under-served young

men in the City of Worcester. Frank was part of the school leadership team from the outset, as a member of the school's Steering committee in 2002, and a founding member of the Board of Trustees when it was formed in 2003.

The Rev. William Campbell, S.J. Magis Award was presented to Margaret Florentine. Meg is the embodiment of that sentiment. Meg has been a member of the Board of Trustees since 2004, serving as the Board Secretary, and served as the Provincial Assistant for Secondary and Pre-Secondary education at the USA Northeast Province. It is clear from her work that the educational needs of the marginalized are at the heart of her daily work and decision-making. She is committed to all Jesuit schools, but we know that she has a very special place in her heart for Nativity schools.

Clarke – New England's Official Sub-Zero and Wolf Showroom & Test Kitchen was awarded with the Corporate Partner Award. Clarke is a family-owned and operated business since 1955. Tom Clarke's father Jim, founded the company in 1955.

Tom and his family have become part of our Nativity Worcester family. The Clarke family, and the Clarke staff, have been overwhelmingly generous to our school over the past four (4) years, raising over \$460,000 in four (4) culinary events hosted at Clarke showrooms. Their efforts to support our mission continue to go beyond what we could have ever imagined.

Daniel Dompree, a member of the first graduating class from Nativity Worcester, the Ignatius Class of 2006, received the Cura Personalis Award. Following a successful three (3) years at Nativity Worcester, Daniel attended Worcester Academy and graduated from Providence College in 2014 with a Bachelor's degree in Health Policy and Management. Daniel is currently taking classes towards a Master's Degree in Health Informatics at Northeastern University while also working full-time as a Health Data Specialist for the UMass Medical Healthcare system. He still visits Nativity Worcester every week, either dropping off or picking up his brother, Mark, who is currently in Nativity Worcester's sixth (6<sup>th</sup>) grade class.
