DEAR SUPPORTERS AND FRIENDS,

It is with immense gratitude and excitement that I write to express our deepest appreciation for your unwavering support and dedication to Nativity School of Worcester. Your generosity and commitment have played an instrumental role in the success of our students and the lasting power of a Nativity Worcester education. Together, we have grown the impact of our school, and it is an honor to share this impact with you in our annual report.

Over the past year, our students and graduates have continued to excel academically, creatively, and socially. Their achievements stand as a testament to the tight-knit community we have built here. Through your generosity, we have been able to provide the resources and opportunities necessary to empower

our Nativity Men and prepare them for a future filled with promise and potential. Your support has allowed us to fulfill our Jesuit mission of nurturing the mind, heart, and spirit while shaping the future leaders of our society.

In October 2023, we announced that Nativity Worcester is embarking on a historic endeavor. We have launched *Access & Impact: The Campaign for Nativity School of Worcester*, an ambitious \$20 million campaign aimed at establishing the Julie Power Girls Division, ensuring that young women have the opportunity to receive a transformative, tuition-free education. This bold initiative will expand our reach, diversity, and impact, as we strive to provide young men, and soon young women, an excellent education. We are grateful for those who have already

pledged support to our campaign and look forward to your continued partnership as we work together to make this dream a reality.

Once again, thank you for your steadfast commitment to our school and its mission. Your support is the driving force behind our continued success, and we are excited about the bright future that lies ahead. Together, we will empower and inspire the next generation of leaders and change-makers.

With Gratitude,

YEAR END PILLAR AWARDS

On Friday, May 26, 2023, we held our annual Pillar Awards at Nativity Worcester. The Pillar Awards recognize students who were selected by the school's faculty and staff that best reflect the four pillars — Strength (Vires), Scholarship (Studium), Character (Mores), and Service (Christianitas). Awards are given for three of the pillars to one student from the eighth grade, and one student from the fifth-, sixth-, or seventh-grade, while the final pillar award of scholarship is presented to one student from all four classes. The Spirit Award is presented during the graduation ceremony to a member of the eighth grade class who has exemplified what it means to be a Nativity Man on countless occasions during his time at Nativity Worcester.

ELLACURÍA CLASS OF 2023 GRADUATION

On June 2, 2023, the Ignacio Ellacuría, S.J. Class of 2023 graduated from Nativity Worcester. 100% of eighth graders were accepted into, and received sufficient financial aid to attend a

private high school or a specialized high school program.

Our Nativity Men will continue their journeys at the following schools:

- ▶ Bancroft School
- ▶ North High School
- ▶ St. John's High School
- ▶ Worcester Academy
- ▶ Worcester Technical High School

ACADEMIC EXCELLENCE

This year, according to their Measure of Academic Progress standardized tests, the Ellacuria Class of 2023 graduated 8th grade on average at a 12th grade level in mathematics, and at an 11th grade level in English language usage and reading. The incredible growth our graduating class demonstrated is a major credit to their hard work and Nativity’s talented lead teachers and Teaching Fellows who create a rigorous and engaging learning environment that enables all students to thrive and be prepared to excel in high school.

2023 SUMMER OF SERVICE

A core component of the Nativity Worcester experience is its mandatory summer session during the month of July with three weeks of classes, field trips, and a comprehensive service-learning program. The mornings begin with language arts and math classes, which help our students improve and excel in core academic subjects before the traditional school year begins. In the afternoons, students and faculty

volunteer for local organizations related to the topics they are learning about in service-learning classes. The goal of the service-based learning is to engage students in projects that not only teach them valuable, curriculum-linked lessons, but also empower them to recognize the ways they can improve their community. This year, our fifth through seventh grade students volunteered with El Buen Samaritano, Veterans, Inc. and St. John's Church. The eighth grade students had the opportunity to participate in Nativity's

Youth Philanthropy Initiative (YPI) and learn about philanthropy within nonprofit organizations. They reflect on their own personal values to determine which key social issue they deem most important to support in the Worcester community. Based on this determination, the students are given the opportunity to distribute \$5,000 of grant funds to local organizations. The YPI Program and Summer Session are unique and foundational opportunities for our students to develop their leadership and service skills.

WELCOME, HARAK CLASS OF 2027!

An important tradition at Nativity School of Worcester is to name each class after an outstanding Jesuit whose life serves as a beacon of hope, promise, and inspiration. The name of this Jesuit remains with the class throughout their four years here at Nativity Worcester and beyond. The life and contribution of this Jesuit gives the students a unique and special way to understand and grow in the values of the four pillars that characterize a Nativity student: strength, scholarship, character, and service. This year the faculty and staff voted for the new fifth grade class to be known as The Harak Class of 2027, named after Simon Harak, S.J., who exemplifies a spirit of compassion and peace.

THE BOB COUSY ASSIST PROGRAM

In September of 2023, Nativity Worcester was proud to announce a partnership with Big Brothers Big Sisters of Central Massachusetts, College of the Holy Cross, and NBA Legend Bob Cousy, a longtime supporter of the school and the Worcester community as a whole. Working with these partners, Nativity and Big Brothers Big Sisters have established a mentorship program for students at Nativity, who are paired with a member of the College of the Holy Cross Men's or Women's Basketball Team as their Big Brother or Big Sister. We are so grateful to Bob Cousy, Big Brothers Big Sisters, and Holy Cross for helping to make this program possible! We are excited to see the amazing things our students will accomplish under the guidance of their excellent new role models.

THANKSGIVING POTLUCK

Gatherings with our families continue to be an essential part of developing a tight-knit community at Nativity Worcester. On November 20, Nativity hosted our annual Thanksgiving Potluck. We were overjoyed to welcome families to celebrate with us before Thanksgiving break with a wide variety of cuisines representing the cultures of our wonderfully diverse student body.

We are so grateful to everyone who contributed to make this celebration possible. Thanks to the generosity of the Jarboe Foundation and the Holy Cross SPUD Program, each family was provided a food bag and a grocery store gift card. Additionally, our food pantry is still supporting Nativity families throughout the school year with food bags containing staple foods, as well as cleaning and hygiene products, on a weekly basis.

IMMERSING NATIVITY MEN IN THE SCIENCES

Nativity Worcester is dedicated to igniting students' passion for learning by immersing them in hands-on projects that unveil the wonders of the sciences, nurturing a lifelong curiosity. In March of 2023, Chancellor Michael Collins of UMass Chan Medical School, along with medical students at the school, visited Nativity Worcester for an afternoon. They gave presentations on their personal experiences in medical school, shared interesting medical facts, and provided a hands-on experiment to demonstrate the inner workings of the human body. It was an excellent opportunity for our students to speak with medical students and become inspired for their own bright futures!

IMMERSING NATIVITY MEN IN MUSIC AND THE ARTS

Nativity Worcester's Renaissance Class provides students with a canvas for self-discovery, where imagination knows no bounds. In September, Nativity had a school-wide assembly featuring the Darshan Trio. The Darshan Trio, which includes a world-renowned cellist, violinist, and pianist, played a variety of classical music for our students, and answered various questions about being a classical musician and composing. It was a unique experience for our students, who got to learn more about classical music and hear firsthand about the experience of being a professional musician. Thank you to Music Worcester and the Darshan Trio for making this event possible and for immersing our students in the arts!

My future successful self will probably be back here. I love this community and think it would be great to come back here and teach the next generation. So I think my future self will be back at Nativity.

ANNUAL GRADUATE CARE PACKAGES EXTEND SUPPORT AND WARMTH TO GRADUATES

Each year in November, the Graduate Support Program distributes Graduate Care Packages to four classes of Nativity graduates who have transitioned from high school. These packages consist of self care hygienic products, stationary supplies, gift cards, and non-perishable food and snacks. This year's list of graduates who will receive the care packages include the Ricci ('19), Anchieta ('18), Ikunza ('17), and Brooks ('16) classes. Care packages are a heartfelt gesture designed to support and uplift students in whatever journey they are currently on. These packages are put together with the help of our PTA team and filled with handwritten notes from our current students. Many of our graduates are facing a whole new world; sometimes far away from home, with new challenges, obstacles, and opportunities. These care packages are to remind them that we miss them and are thinking about them here at Nativity. We are wishing them luck and thanking them for continuing to be role models for our community!

ENSURING LONG-TERM SUCCESS: THE IMPACT OF THE GRADUATE SUPPORT PROGRAM

Nativity Worcester makes a 12 year commitment to its students, meaning holistic support does not end in 8th grade, but continues for graduates in high school, college and the workforce. The Graduate Support Program effectively tracks, supports, and mentors students once they have graduated from Nativity, ensuring each student's success in high school and access to continuing education opportunities. The Graduate Support Program strives to meet the growing and diverse needs of our graduates as they navigate an often challenging world. We provide a safe and quiet space for homework help or schoolwork, high school transition and completion support, after-school and summer job search assistance, skill-building events, community service opportunities, and college search and financial aid application support. Currently, 307 graduates from nineteen classes are benefiting from the Graduate Support Program.

With the support of the Director of High School Placement and Support, Nativity has witnessed graduates excel at the following high schools. 100% of Nativity graduates in high school are on track to graduate high school!

STRENGTHENING COMMUNITY BONDS THROUGH GRADUATE AND FAMILY ENGAGEMENT

Nativity Worcester hosted a 20th Anniversary cookout for students and families, and another special celebration for graduates. These events were a fun-filled afternoon of games, music, and a potluck generously donated by Nativity families. These gatherings attracted over 200 community members and were an excellent way to celebrate the past 20 years of success, spend time together with new members of our community at the beginning of a new school year, and strengthen relationships with graduates and families. Nativity hosts a variety of small and large events for graduates and families to provide time to build community and support workshops, such as financial literacy and career development opportunities, throughout the year.

Over half of our graduates are actively volunteering within our Nativity community as mentors or coaches, and regularly participating in community events. Many graduates consider Nativity a “second home” and often return in an effort to ensure current students learn from their journeys and have the guidance and support to be successful as they prepare for high school. These dedicated alumni, driven by a profound sense of gratitude and belonging, exemplify the spirit of community engagement and their leadership greatly impacts students each day. Our graduates’ commitment to mentorship and coaching showcases a genuine investment in the success and well-being of those who follow in their footsteps.

ACCESS & IMPACT

THE CAMPAIGN FOR NATIVITY SCHOOL OF WORCESTER

““

Nativity combines two of our greatest focuses in our charitable giving: Jesuit education and the city of Worcester. We were classmates at Holy Cross and the beneficiaries of a Jesuit education. That experience has been foundational both personally and professionally. The most important moments in our life have happened in Worcester and we truly feel that we owe a huge debt of gratitude to the city. When Nativity was first imagined in Worcester, we immediately saw the value of providing a first class, Jesuit, private school education. So many of our interests were being joined in this perfect combination. And now with the announcement of the Girls Division the full potential of Nativity will be realized. We are just thrilled that the school is expanding. As it turns out, our participation as co-chairs of Access & Impact: The Campaign for Nativity School of Worcester has been just one more gift that Worcester, Jesuit education and Nativity have given to us. The outpouring of generosity has been really inspiring. We will always be grateful for Nativity and all it has done and will do in the years ahead.

Why I Give
MESSAGE

At 20 years, Nativity School of Worcester is undertaking a historic endeavor—the launch of an ambitious \$20 million campaign aimed at establishing a Girls Division, ensuring that young women can receive a transformative education. This bold initiative reflects Nativity Worcester’s commitment to expanding access to an excellent education and to growing its impact. *Access & Impact: The Campaign for Nativity School of Worcester* will establish the first tuition-free private school for girls in Central Massachusetts and create an opportunity that ensures each student thrives and develops into tomorrow’s leaders.

On Saturday, October 14, 2023, at Nativity’s 20th Anniversary Gala, we publicly launched our Campaign and announced a \$3,000,000 gift from the J.D. Power Family and Kenrose Kitchen Table Foundation in support of the Campaign. In recognition of this incredibly impactful gift, the Girls Division has been named the “Julie Power Girls Division” in honor of Julie Power. James David Power III and his wife, Julie, founded J.D. Power and Associates in 1968, having become one of the most globally recognized marketing research firms today. Julie was a teacher by training and she volunteered her time to teach English as a second language to children who were immigrants.

The one year “quiet phase” of the Campaign that led up to the October Campaign launch raised \$14,000,000 thanks to many generous supporters. Chris Collins, Co-Chair of Nativity Worcester’s Campaign Committee, said, “The response to the quiet phase of the campaign has far exceeded our expectations. Donors have consistently pointed to the success of the school over the past 20 years as the motivating factor behind their commitment to help us strengthen Nativity’s offerings and most importantly to provide the same opportunities for young women in Worcester. Our long-held dream of opening a Girls’ Division is now within sight. We are grateful that both boys and girls from Worcester will now join in the Nativity Worcester promise to educate the whole person.” Nativity believes that empowering young women will not only ensure that future Nativity Women reach their full potential but this bold initiative will strengthen our entire school and positively impact the broader community and society.

OUR CAMPAIGN PRIORITIES:

- ▶ Curriculum, Programming Design and Scholarships for Girls: \$5.5 M
- ▶ Nativity Fund: Fund scholarships for boys and annual operations for the next four years: \$6M
- ▶ Construction of New Classrooms and Collaborative Spaces: \$4M
- ▶ A Promise for the Future: Growing Nativity’s endowment: \$4.5M

Why I Give
MESSAGE

When I originally joined the board at Nativity years ago, the hope of a girls' school someday was so inspiring to me. And what I saw from day one with the Nativity boys that I have met over the years only reinforced the quality of a Nativity education and the hope it brings for the future. I am honored to support Nativity any way that I can help. Nativity changes the lives of the students who embrace Nativity and I can't think of a better investment in the future than that.

FISCAL YEAR 2023

ANNUAL REPORT ON GIVING

MESSAGE FROM THE CHAIR

Dear Friends,

Nativity Worcester stands as a unique and vibrant community, deeply committed to providing an excellent Jesuit education for students from under-resourced communities. As I reflect on 2023 at Nativity Worcester and our school's promising future, I am immensely grateful to you for the profound impact you've had on this community. Our accomplishments are a result of the dedication of both long-standing and new champions of our mission. Your remarkable generosity, especially during fiscal year 2023 and in support of *Access & Impact: The Campaign for Nativity School of Worcester*, has marked a historic year of giving to our school and will propel us forward as we seek to establish the Julie Power Girls Division.

It is with deep appreciation that I extend my heartfelt thanks to you and all our benefactors. Your contributions are critical to operating a tuition-free school and make it possible for us to transform the lives of our students, graduates and community members. Our mission thrives through the tireless efforts of our donors, volunteers, staff and families, who generously give and offer their time and expertise.

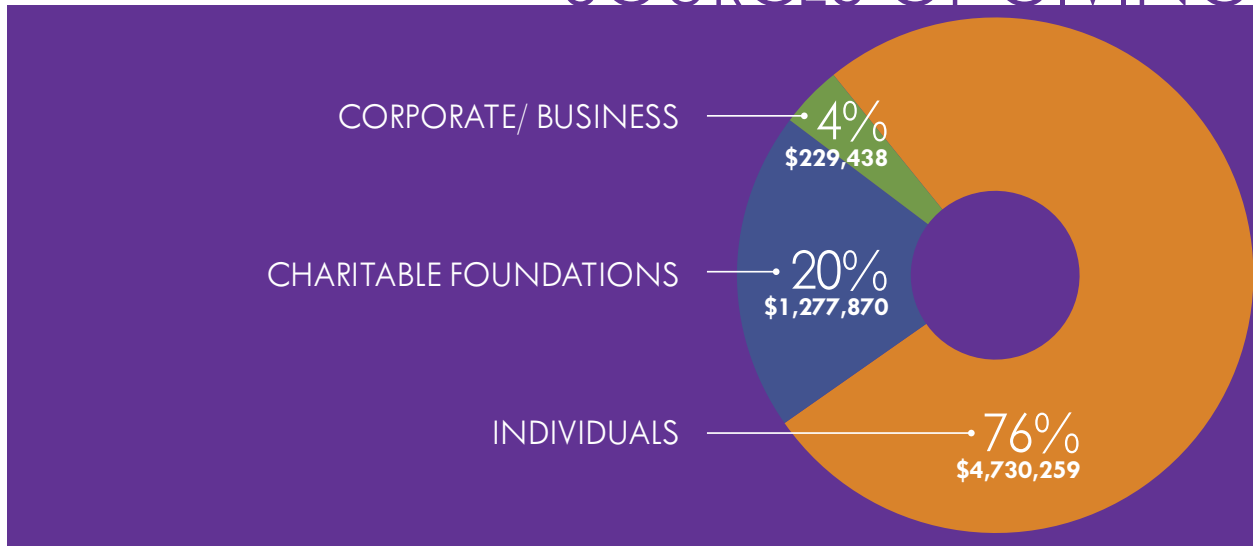

Your commitment ensures that this special community is equipped with the necessary resources, leadership, and dedicated volunteers to succeed and advance our mission. Thank you for standing with me and so many others in this important journey of transformation. I look forward to continuing this journey with you as we proudly extend the reach of Nativity Worcester to embrace young women, ensuring that they too can embark on a journey of personal growth and academic excellence.

Gratefully,

NATIVITY SCHOOL OF WORCESTER

FOREVER SOCIETY

JOIN the Nativity School of Worcester Legacy Society today by making a planned gift. Consider leaving your legacy in several ways that cost you nothing now, but leave a lasting impact. To discuss the best planned gift option for you, contact Nate Ingalls, Leadership Gifts Officer at ningalls@nativityworcester or (508) 799-0100.

“”

I asked the folks at Nativity School if I could use my time as an Ignatian Volunteer to work on the creation of the Nativity Worcester Forever Society.

The point is to encourage those who believe in Nativity Worcester, what it's done, and what it can do for aspiring young Worcester-area boys and girls, to make a legacy gift. The goal is simple: to make Nativity available to those young men and women forever. Let me know if you'd like to talk.

Arthur Bergeron

Art is a Worcester-based elder law attorney and currently serves as an Ignatian Volunteer at Nativity focusing on planned giving. We're grateful for the incredible support that Art and other IVC volunteers provide to strengthen our community.

TEACHING FELLOWS GRADUATION

This year, two Nativity Teaching Fellows concluded their two years of service at Nativity School of Worcester. We are very grateful to them for their dedication to our students, their families, and our mission. Many Teaching Fellows continue their careers in education and for the 2023-2024 academic year, Nativity has seven full time staff and faculty members who were former Teaching Fellows.

ERICA LAZAREK

Erica is a graduate of the St. Anselm College Class of 2021, currently working as a school counselor for grades K-1 in New York City.

MEGHAN O'KEEFE

Meghan is a graduate of the College of the Holy Cross Class of 2021, who currently works in the Office of Advancement at the Boston University School of Law.

GIVING TO THE ANNUAL FUND

Make a one-time or recurring monthly gift that provides critical unrestricted funds that advance the school's academic, extracurricular, and graduate support programs. Please donate using the enclosed envelope or visit nativityworchester.org/help/donate

INVEST IN A FUTURE OF NATIVITY MEN OR WOMEN

Make a major impact by funding part of or the entire education of one of our Nativity Worcester students or invest in the school's endowment or future renovations. The school's ability to continue to provide a quality, tuition-free education and plans to open the Julie Power Girls Division will only be possible through the generosity of sponsors. For more information or to make a donation, gift of stock, or multi-year campaign pledge, contact Elizabeth Deliberto, Senior Vice President of Advancement and Graduate Support, at edeliberto@nativityworchester.org or (508) 799-0100.

GIFT BY WILL

Making a planned gift is an extraordinary way to support Nativity School of Worcester and our mission while achieving your personal, philanthropic, and estate planning goals. Consider including Nativity Worcester in your will and leave your legacy today to make a difference in the lives of our students and graduates for years to come! For more information, contact Nate Ingalls, Leadership Gifts Officer at ningalls@nativityworchester.org or (508) 799-0100.

HONORARY AND MEMORIAL GIFTS

Gifts to Nativity Worcester are often more than support for the school. Memorial and honorary gifts are a way to perpetuate the memory of a loved one who has passed away and an opportunity to honor an individual who has been impactful in the donor's life. Please see the enclosed envelope or visit nativityworchester.org.

IN-KIND GIFTS

Consider making a difference by giving non-perishable items to our food pantry, school supplies, technological equipment, or clothes for young men. Your in-kind gifts will help set up our students and families for success.

MISSION STATEMENT

Nativity School of Worcester is an accredited, independent, Jesuit middle school that provides a quality, all-scholarship education to underserved boys of all faiths. Drawing upon four pillars — **strength, scholarship, character, and service** — a Nativity education inspires self-discovery, responsibility, spiritual growth, and a lifelong dedication to learning.

Accredited by the New England Association of Schools and Colleges (NEASC)

Member of the Jesuit Schools Network (JSN)

Member of the NativityMiguel Coalition of Schools

Member of the Association of Independent Schools in New England (AISNE)
